Curtain Walls & Stations

Chassis Liner now offers the complete line of Goff Curtain Walls and Prep Stations at Factory Direct Pricing. Goff is the preferred brand, most recognized and used by body shop professionals.

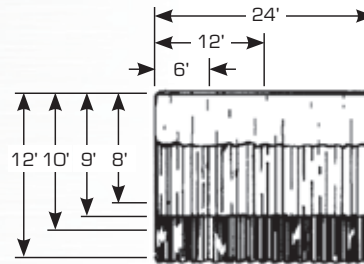

Goff's heavy-duty, windowed, rolling, curtain partitions are the most economical way to separate and maximize workspace for collision repair shops while confining dust, water, sparks and other airborne contaminants. Curtain Glides easily on a track and roller system.

The top and bottom sections are constructed from 14 oz Opaque Vinyl Material, the middle section is constructed out of clear 20 mil double polished PVC. All materials meet NFPA - 701 for Fire Resistance. Curtains are water, mildew & rot resistant, and resistant to most chemicals.

Customized to any height or width to meet your Body Shop's need. Ready-to-Ship Stock Sizes are available and ship within 24 Hours!
